[Intro:]

Ooooh...

I'm the most hated...

I'm the most hated...

[Davina:]

I been hustlin'-

I been strugglin' since the day I hit the scene-

I been comin' up from nothin'-

I been aimin' for my dream- turnin' nothin' into  
somethin'...

(Sav'd out to the extreme) and I hit the ground runnin'...

Why they hate on me? Not just another pretty face-  
(haha)-

Don't judge if it's based on hate- don't waste my time-

Stop livin' life blind- get a life open up ya eyes-

Quit hatin' on mines...

Why they hate me? Why they hate me?...

[Big Tone:]

Man they hate me cuz I'm bad-

Havin' thangs they wish they had and I still remain a  
Sav-

(Jealous fags) - y'all some suckas- hatin' on some  
hustlas-

Wishin' you could be me cuz nobody ever loved ya-  
yeah-

Go talk to Dr. Phil wit' all that drama-

While ya gossipin' I'm flossin' in the Caddy clockin'  
dolla's-

(Que te pasa?) what ya know? step ya game up- get  
your own-

Sticks N stones might get ya shot but words can never  
hurt Big Tone-

Yeah get up on my level- nah man you already tried  
that-

But the Game ain't made for everyone and Homie you  
just proved that-

(It's too bad) ya mad cuz I'm doin' thangs ya can't-

I'm a Gangsta that's successful and for that you wanna  
hate-

You jealous b\*tch...

[Davina:]

I... don't give a damn 'bout what they say- and I...  
I plan to keep it that way...  
I don't care if you don't like me you can fake it-  
I thought ya knew that I love to be hated...

[Hook:]

I'm the Most Hated... I'm the Most Hated... I'm the Most  
Hated...  
I'm the Most Hated... I'm the Most Hated... I'm the Most  
Hated...  
I'm the Most Hated... I'm the Most Hated...

[Davina:]

Ya doin' too much- (too much....)  
Ya pushin' ya luck- (doin' too much)  
You got your panties in a bunch  
Cuz you aint gettin' no love- (no love)  
Got ya holdin' on a grudge- so what-  
You wanna front like you ain't gettin' all butt-hurt- (ha...)  
So what- I never took ya serious-  
I could give a f\*ck about anything you're feelin'-  
It's a sad sad shame that ya can't maintain-  
You been hatin'- you been hatin'- you been speakin' on  
my name-  
The game ain't made for suckas like you-  
You hate on me cuz ya hate to see the truth- I...  
(Ya can't take it) I... (cuz I could give a f\*ck!) -  
I'm the most hated...

[Hook:]

I'm the Most Hated... I'm the Most Hated... I'm the Most  
Hated...  
I'm the Most Hated... I'm the Most Hated... I'm the Most  
Hated...  
I'm the Most Hated... I'm the Most Hated... I'm the Most  
Hated...  
I'm the Most Hated... I'm the Most Hated... I'm the Most  
Hated...  
I'm the Most Hated... I'm the Most Hated...
