[Intro: Bootsy Collins]

I'd rather be with you- yeah...

Yeah I'd rather be with you...

I'd rather be with you- yeah...

Yeah I'd rather be with you....

[Verse 1:]

Kickin' back tryna get some relaxation-

Put the blunt to my lip

As I take a hit of the only thing

To keep my mind away from everything...

To ease the pain and refrain me from goin' insane...

You were the only drug I needed...

I made you God but you defeated me...

And now I'm detoxing from you and I will be
tormented...

It ain't ever gonna be the same again-

It's tainted...

It's a shame I ain't with you and it's the end... ooooh...

[Hook:]

I'd rather be with you... yeah...

Yeah I'd rather be with you...

I'd rather be with you but I can't do that-

Gotta do what I gotta do

Can't go back I'ma keep it movin'-

Rather be with you and I'ma do what I gotta do

To stay away from you...

[Verse 2:]

So beautiful on the outside but feelin' ugly as f*ck
within...

It's pitiful if ya hold it inside

When ya know you're really sufferin'...

Just frontin- actin' like it's nothin'

Wwhen you're really hurtin' cuz you're broken...

Before the fall comes pride- you hold it inside-

You'll never be the same again...

You said that you lost interest

Aand I said cuz you can't stick with sh*t-

I bet you can do better than me- but yet the b*tch'll

never be ME...
God- please help me breathe- I gotta save myself from
me-
I'd rather be with you- you'd rather be without me-
Gotta do what I do- I'ma let you be...

[Hook:]

I'd rather be with you... yeah...
Yeah I'd rather be with you...
I'd rather be with you but I can't do that-
Gotta do what I gotta do
Can't go back I'ma keep it movin'-
Rather be with you and I'ma do what I gotta do
To stay away from you...

[Verse 3:]

I'd rather be with you
But I guess I'll chalk it all to the game...
I'd rather be with you
But I know I'm never gonna be the same...
I might as well self destruct- but I gotta maintain...
Or sabotage how far I came...
I'm bitter- cynical- a little bit resentful-
So damn mad cuz I gave you the best of me...
Can you feel my pain?... Can you feel my pain?...
I ain't never gonna be the same again- I hate this...
Here I am lovin' you again... ooooh...

[Hook:]

I'd rather be with you... yeah...
Yeah I'd rather be with you...
I'd rather be with you but I can't do that-
Gotta do what I gotta do
Can't go back I'ma keep it movin'-
Rather be with you and I'ma do what I gotta do
To stay away from you...
