Yeah... You're so special
Yeah... You're so special
Yeah... You're so special
Yeah...

[Hook:]

Yeah you're the truth
Got me lost without you
So special- so damn special- yeah...
Yeah you're the truth- got me lost
Without you- so special- so damn special- yeah...
Yeah you're the truth- got me lost without you-
So special- so damn special- yeah...
You're so damn special yeah...

[4ever:]

My game is sharp
It's shinin' like a diamond out for many hearts-
4 por siempre baby be fantasizin' at the park
On a sunny afternoon I'm sippin' on my henny
While you sippin' on your boons-
I listen as she tells me shorty make me feel like its my
birthday
Creepin' up on june I know you thirsty-
Who's collapsin' from the passion I consume
In the dark room who's to know me if not you-
When I'm lonely you my homie feelin' you when you do
what you do
Couldn't come up with the words as if you left me
breathless-
Couldn't let this pass me by- so lady f*ck another guy-
U need a thug in your life-
I aint sayin' that I'm right but you aint sayin' that I'm
wrong-
I need her so I'm reachin' deeper through a song-
My attractions straight blastin' through the roof-
Somethin' special-
So I start this with a beso cuz baby you the truth...
U got me lost without u...

[Hook:]

Yeah you're the truth
Got me lost without you
So special- so damn special- yeah...
Yeah you're the truth- got me lost
Without you- so special- so damn special- yeah...
Yeah you're the truth- got me lost without you-
So special- so damn special- yeah...
You're so damn special yeah...

[Davina:]

I'm lost without you if you ain't here by my side-
And there ain't no me without ya if ya ain't in my life...
And you are my heart- you're my star- you shine...
And your love is the truth and that's why I choose you-
When I'm lost I find- that you are the truth N you set me
free...
I'm a part of you N I gotta keep it true cuz you're a part
of me...
You are a blessin' from the heavens- you're my
harmony-
You are the essence of perfection in my melodies...
U are the song in my soul- you've made me whole...
And I sing for you- just let my voice make love to you...
Ooh- you're the truth- and the truth is you...

Yeah you're the truth- got me lost without you-
So special- so damn special- yeah...
Yeah you're the truth- got me lost without you-
So special- so damn special- yeah...

[Rap: Davina]

Now let me switch it so that you can get a different side
of me-
U got me lifted N I'm "Driftin' on a memory"...
"Confessin' a feelin'" N I'll "Tell it like it is"-
That "Baby I'm for real" N "How sweet it is to be loved
by you"
Because "I like the way you love me"- I wanna "Make it
with you"-
So "Take a chance on me"- "I'd rather be with you"-
"Cruisin' on a sunday afternoon" N "This is for the lover
in you"...
N this is "Dedicated to the one I love"
N "Baby I'm for real" that "I do love you"-
I'm "Never gonna give you up"-
"Sittin' in the park" on a "Natural high"-
"You got the makings of a lover"- you could be
"Forever mine"-
N if you "Stayin' in my corner"- ya just "Look over your
shoulder"-
Baby "I'm still here" cuz "You mean so much to me"-

N I'm "The one who really loves you" through the
"Agony N ecstasy"..
It's "Me N you" "Dreamin' casually"..
"This is for the lover in you- this means that we'll
always stay true"

[Hook:]

Yeah you're the truth
Got me lost without you
So special- so damn special- yeah..
Yeah you're the truth- got me lost
Without you- so special- so damn special- yeah..
Yeah you're the truth- got me lost without you-
So special- so damn special- yeah..
You're so damn special yeah..

Because I love you N I want you
N ya know you're really special babe..
And I'll place no-one above ya cuz ya know
You're really special babe..
You're so damn special yeah..
