Tres, un, tres  
Tres, un, tres  
Tres, un, tres  
Tres, un, tres

Damn, your lovin' got me tranked out  
The hankerchief out  
We walk the bank route  
Shorty, be careful with your leg out  
Miss spendigirl, rambling chick  
Who rock a stick shift  
Photogenic, crazy athletic  
Mediquick  
Tempting  
Using your mind  
That's the jewel of life  
Science is right  
Walking the righteous path  
Peace guard, love you mad  
So when you're zoning from the head start  
We blessin' your heart  
Peace, i'm outta here girl  
Check out the best part

Never have i been so mystified  
By anyone's love before (hey, yeah)  
I feel so natural  
I keep coming back for more  
And each time we touch you open up a new door

Baby, you're such a midnight tease  
It's gonna take everything to keep you from me (hey,  
yeah)  
And the joy that your lovin' brings  
Can separate the mountains from the sea

I don't wanna be wrong  
But it feels right  
If loving you is so wrong  
I don't want to go on

I don't wanna be wrong  
But it feels right  
It feels good  
So good, so good, so good

Spent so many nights believing i was wrong  
For you being in my life  
I can't ignore it when  
Some say that it ain't right (it ain't right)  
But i decided you're the best thing that happened  
In my life

I haven't had everything (oh no)  
But you come close to everything that love means (hey  
yeah)  
In heaven's eyes love is embraced between you and i  
Now that we have each other  
I don't have to dream

I don't wanna be wrong  
But it feels right  
If loving you is so wrong  
I don't want to go on

I don't wanna be wrong  
But it feels right  
It feels good  
So good, so good, so good

I don't wanna be wrong  
But it feels right  
If loving you is so strong  
It can't be wrong

Hey, yo select me  
Ghocci sneaker recipe  
You know the sitcho  
Max for moments bad dobermans  
I hit though  
Sling dot  
Between me and my wiz  
Chain lock  
Dress in leathers  
Plus we represent the same block

Tres, un, tres  
Tres, un, tres  
Tres, un, tres

I don't wanna be wrong  
But it feels right

It feels good  
So good, so good, so good

I don't wanna be wrong  
But it feels right  
If loving you is so wrong
