Never have I been so mystified
By anyones love before
It feels so natural
I keep commin' back for more
And each time we touch
You open up a new door
Baby your such a midnight tease
It's gonna take everything to keep you from me
Hey-eh ye
And the joy that your lovin brings
Can separate the mountains from the sea

I don't wanna be wrong
but it feels right (hey)
If lovin you is so wrong (no no)
I don't wanna go on

I don't wanna be wrong
but it feels right
It feels Good
Soo Good Soo Good Soo Good

Spent so many nights
Beliving I was wrong
For you being in my life
Can't ignore it when
Some say that it ain't right
But I decided

You're the best thing that happened in my life
I haven't had everything (oh no)
But you come close to everything that I need (hey eh
yeah)
In heaven's eyes love is embraced
between you and I
Now that we have each other
I don't have to dream

I don't wanna be wrong
but it feels right
If lovin you is so wrong
I don't wanna go on

I don't wanna be wrong
but it feels right
It feels right
It feels Good
Soo Good Soo Good Soo Good

I don't wanna be wrong
but it feels right
Lovin' you is soo strong
It can't be wrong

I don't wanna be wrong
but it feels right
It feels Good
Soo Good Soo Good Soo Good

Repeat 'til fade out
