[Intro:]

Sorry (repeated)

[Verse 1:]

Sorry is a sorry word

If you don't mean it then it has no worth

So don't go wasting your time, wasting mine

Save your lies 'cause I ain't changing my mind

It's too late for sorry's

Please don't say your sorry now

I've heard it all before, I've heard it all before

And I can't take it no more, I just can't take no more

No more (Sorry)

No more (Sorry)

No more (Sorry)

No more.

[Chorus:]

Well it's too late to apologize

(It's too late, it's too late for sorry)

Well it's too late to apologize

(It's too late, it's too late for sorry)

Well it's too late to apologize

(It's too late, it's too late for sorry)

Well it's too late to apologize

(It's too late, it's too late for sorry)

(Well it's too late).

[Verse 2:]

Well I bet you're sorry 'cause you probably never realized

I really loved you (Really loved you)

And now you're sorry 'cause you're startin to apologize

You should've tried instead of pushing me aside so many times

You have always blamed me but you cannot blame me now

So I'm leavin' you behind, I'm leavin' you behind

It's too late

Sorry

I apologize.

[Chorus:]

Well it's too late to apologize  
(It's too late, it's too late for sorry)  
Well it's too late to apologize  
(It's too late, it's too late for sorry)  
Well it's too late to apologize  
(It's too late, it's too late for sorry)  
Well it's too late to apologize  
(It's too late, it's too late for sorry)  
(Well it's too late).

Well it's too late to apologize  
(It's too late, it's too late for sorry)  
Well it's too late to apologize  
(It's too late, it's too late for sorry)  
(Well it's too late).

[Verse 3:]

Now I forgive you for all the things you said  
And I forgive you for all the things you never said  
I forgive you for never saying sorry though you said  
you loved me  
For postin' other things above me  
I forgive you, you couldn't put me first  
I forgive you, you never meant to make things worse  
(I'm sorry) We couldn't make it work  
(I'm sorry) But I don't want to hurt no more  
I forgive you for not giving more  
Sorry is a sorry word  
If you don't mean it then it has no worth.

Well it's too late to apologize  
(It's too late, it's too late for sorry)  
Well it's too late to apologize  
(It's too late, it's too late for sorry)  
(Well it's too late).

Sorry (x7)
