"U Mean So Much To Me"

When I was down and out-
U talked to me and made me see my way.
U gave me love when all my friends
Just laughed and walked away.
Oh well it don't take much to make me see
I love you so bad- you mean so much to me.

I know you never brag-
And talk about what you have done to me.
You've made my life a smile
And you left no stone unturned.
Oh well I love you and I know you love me-
I cant stand to lose u- you mean so much to me.

I can look forward to my future-
And think of such a beautiful past.
Knowing how much I love u-
And knowing it will always last.
Oh well I love you and I'll make you see-
Finally for you - you mean so much to me..
