With a cloud above her head  
Here comes Rainy Jane  
If she stops you, man she'll bore you  
With her sad refrain  
It's the same old story  
We've heard a thousand times before  
She'll tell you how he broke her heart  
Then the tears will start to pour

Hey Rainy Jane  
You gotta stop your crying sometime  
Come on Rainy Jane  
It's up to you to make your own sweet sunshine

Jane you're just the shadow  
Of the girl you used to be  
Once you used to live for life  
But now you live for sympathy  
It's true your heart's been broken  
And you've got the right to cry  
But if you're gonna keep it up  
The sunshine's gonna pass you by

Hey Rainy Jane  
You gotta stop your crying sometime  
Come on Rainy Jane  
It's up to you to make your own sweet sunshine

You can change the weather  
No one loves a rainy day  
Come let's get together  
Clouds will clear up when you cheer up  
Take each raindrop  
Make the rain stop

Hey Rainy Jane  
You gotta stop your crying sometime  
Come on Rainy Jane  
It's up to you to make your own sweet sunshine

Hey Rainy Jane  
You gotta stop your crying sometime

Come on Rainy Jane  
It's up to you to make your own sweet sunshine  
(Repeat to fade)
