You Go Your Way by Davy Jones

(Hey!)

(Hey!)

(Hey!)

(Hey!)

You say you love me and you're thinking of me
But you know you could be wrong, oh yeah

(Hey!)

(Hey!)

You say you told me that that you hold me only
But you know you're not that strong

(Hey!)

(Hey!)

I can give you, I can give you all things
You like to have you animal
I'm gonna let you pass
(I'm gonna last)

Time will tell who has fell
Who's been left behind
When you go your way, I'll go mine

(Hey!)

(Hey!)

Say you disturb me and you don't deserve me
But you know sometimes you're lying

(Hey!)

(Hey!)

You say you're shaking and you're always aching
But you know how hard you try
Oh, yeah

(Hey!)

(Hey!)

Sometimes you get so hard to care
Oh, it can be this way everywhere
I'm gonna let you pass
(I'm gonna last)

Time will tell who has fell
Who's been left behind
When you go your way, I'll go mine

(Hey!)
(Hey!)

You know you told me that you love me (Lies, lies, lies)
And you place no-one in the world above me (Lies, lies,
lies)
But last night I saw you, baby (Lies, lies)
And what you were doing just wasn't a surprise, oh

(Hey!)
(Hey!)
(Hey!)
(Hey!)

You say you're sorry but you're telling stories
That you know I believe it true

(Hey!)
(Hey!)

You say you got some other kind of lover
And you know I believe it too

(Hey!)
(Hey!)

You say my kisses are not like his, oh yeah
I will tell you now while this gift
I wanna let you pass
(I'm gonna last)

Time will tell who has fell
Who's been left behind
When you go your way, I'll go mine

So goodbye (Lies, lies)
So long (Lies, lies)
Good rich (Lies, lies)
High luck (Lies, lies)

Later

Oh, yeah!
Oh, yeah!
