Words simple as maybe
Yet honest passionate feelings can only come
From deep within a loving heart
And caring heart
Almost a decade, how long has it been

REFRAIN

But time has failed to fade
Our love, the undying love
As it grows, fonder and stronger
I'm recollecting, awaking
Memories of the past

CHORUS

Could I ever forget
Electrifying loving times
Shared in golden silence that only
Our hearts come throbbing and
As life slowly pass us by
While those childlike carefree youth
Are only bygones and love's greatness
Changing and giving ways

CODA

Changing and giving ways
Changing and giving ways
Ohh... ohh

When loving you from afar
How my heart desires your warm embrace
Burning kisses from your playful lips
Deep inside of me
All sweetness and tenderness
(repeat refrain)
(repeat chorus 2x)

CODA

Changing and giving ways
Changing and giving ways
Ohh... ohh
Lai lai lai
Changing and giving ways
