Unfetter revolt and wrath  
Smother all pure in black  
Let none be spared from my virulence

Cradle the deity within  
In the embrace of sin  
Smitten with deeds of deviance

Succumb to this carnal force  
Perversion and intercourse  
Lechery and lust ever enduring

Curse every blessed name  
Drench their lives in flame  
Flaccid fallacies reduced to ruin

Wipe it's embers from my eyes so that I may see  
Smash the feeble fetters that confine me  
Drown every righteous man in misery  
With the ten thousand tears that consecrate my victory

Men of grace reach out to bind me  
No chains are strong enough to hold  
I shall fend off the barbs of a thousand blows  
Unconquerable rebellious and bold  
My spirit remains intrepid  
And shall never bow it's head  
I spit upon these sullen servants  
Let them taste my ire instead

Unfetter revolt and wrath  
Smother all pure in black  
Let none be spared from my virulence

Cradle the deity within  
In the embrace of sin  
Smitten by deeds of deviance

Succumb to this carnal force  
Slit the throats of these frauds  
Give no quarter to anyone

No innocence

No purity

No mercy

Spare none
