"Oh Sweet Mary"

Yeah!

Oh, sweet mary, child of confusion, she runs the hills to
cry
Past the willows or an illusion, lord, tell me the reason
why.
Tell me why, why is it all so hard ?
Breathing in the air breathe in the air
Anyone to care.
Oh!

(alright, yeah!)

Oh, sweet mary, in our story, have we nothing left to
give ?
But don't we all know, babe, if were pressed to, that
that's the way we live.
Tell me why, why is it all so hard ?
Breathing in the air breathing in the air
Anyone to care, oh, yeah!

Hop now, hop now, hop now, hop now, hop now, hop
now,
Hop now, hop now, hop now, hop now, hop now, hop
now, whoa, yeah!
