Behind these walls  
I've lived my life  
A long time in loneliness  
Desolated in my own demise  
Memories from a time  
Of silence and emptiness  
But now I leave my past behind

An undefined creature  
Made me believe  
And now I strive for the life  
I once denied

Here I am once again  
Back from the dead now here me calling  
I've returned to seek my destiny  
Here I am once again  
What brought me back while I was falling  
I need to know are you my destiny?

A silent night  
I still remember it like yesterday  
My awakening  
My soul revived  
Like a dream  
A shining light on the starless sky  
You brought me out of the cage of fear

An undefined creature  
Made me believe  
And now I strive for the life  
I once denied

Here I am once again  
Back from the dead now here me calling  
I've returned to seek my destiny  
Here I am once again  
What brought me back while I was falling  
I need to know are you my destiny?

I was lost within a shade

Of total loneliness  
Desolated in my own demise

An undefined creature  
Made me believe  
And now I strive for the life  
I once denied

Here I am once again  
Back from the dead now here me calling  
I've returned to seek my destiny  
Here I am once again  
What brought me back while I was falling  
I need to know are you my destiny?
