I hear children crying  
Silent screams  
Are calling my name  
I see shadows down the wall  
I'm trapped in this nightmare

In a cell  
A living hell  
Locked inside my head  
It haunts me  
Every waken hour

Dreams in color  
Or a fading life  
In black & white  
Cannot see there's no return

[Chorus:]  
From my evil dreams  
Lost inside my evil mind forever  
There is no escape  
In my evil dreams  
Lost inside my evil mind  
Forever chasing a ghost

Closed my eyes  
A long time ago  
Pitch black shades of my life  
It's all that I see  
And are all that remains  
I'm living this nightmare

In my cell  
My private hell  
There's no way  
Out from here  
Trying to reach the light  
But when I do I fall

Dreams in color  
Or a fading life

In black & white  
I've reached the point  
Of no return

[Chorus]
