You've seen the face  
Forever haunts your dreams  
It's always there to  
Penetrate your mind  
When you close your eyes

It's in your head  
Another self made dream?  
You can't hide from this nightmare  
That contaminates your mind

See the devil in his grace  
In the fire of hell you stand ablaze  
Another delusion?  
Say your prayers  
Confess your sins  
Here it calling you again  
Don't know if what you see is real

Scary faces in your dreams  
Screaming shades of misery  
Afraid to close your eyes forever  
Starring eyes are watching you  
Watching every single move  
Sell your soul to comprehend  
Your haunted dreams

Laying awake at night  
Still tortured by the screams  
You can't believe that the ghost  
You see in the mirror is me

I'm the devil  
You've seen my face  
In the fire of hell you stand ablaze  
Another delusion?  
Say your prayers  
Confess your sins  
Here me calling you again  
Believe in me  
I am real

Scary faces in your dreams  
Screaming shades of misery  
Afraid to close your eyes forever  
Staring eyes are watching you  
Watching every single move  
Sell your soul to comprehend  
Your haunted dreams
