What would you think about being an ocean girl  
Cause I'm sick of this side of the world  
Either way you'll still be my angel

There's nothing that can get in the way  
Get in the car because we're in it good baby  
Screw everything that we're leaving behind  
MOVING FASTER EVERYDAY

And here is the part where we throw it away  
Crank up the Beach Boys we're in the waves  
And I don't wanna hear I can't make it today  
MOVING FASTER EVERYDAY

On a joyride to the sunny side of our life  
Let's make the best of it so come on baby

What would you think about being an ocean girl  
Cause I'm sick of this side of the world  
Either way you'll still be my angel

What would you think about being an ocean girl  
Cause I'm sick of this side of the world  
Either way you'll still be my angel

Let's hit the Florida keys (and surf the day away)  
That's all I need today  
Let's look up to the seas (and smoke a cigarette)  
To toast the day

There's nothing that can get in the way  
Get in the car because we're in it good baby

Screw everything that we're leaving behind  
MOVING FASTER EVERYDAY

And here is the part where we throw it away  
Crank up the Beach Boys we're in the waves  
And I don't wanna hear I can't make it today  
MOVING FASTER EVERYDAY

On a joyride to the sunny side of our life

Let's make the best of it so come on baby

What would you think about being an ocean girl  
Cause I'm sick of this side of the world  
Either way you'll still be my angel

What would you think about being an ocean girl  
Cause I'm sick of this side of the world (whoa)  
Either way you'll still be my angel

Whoa, Whoa, Whoa  
We'll surf the day away  
Whoa, Whoa, Whoa  
Cause there will be nothing to say

(Whoa, Whoa, Whoa)  
What would you think about being an ocean girl  
Cause I'm sick of this side of the world  
Either way you'll still be my angel  
(Whoa, Whoa, Whoa)  
What would you think about being an ocean girl  
Cause I'm sick of this side of the world  
Either way you'll still be my angel  
(Whoa, Whoa, Whoa)
