She drank my beer
And that is totally gay
The fucking bitch is gonna die of third degree carpet
burns
Omgf and she just lol's I'm gonna bomb her house then
jump on my trampoline
She drank my beer, cause she's a total fag.
Her mom's a teacher and her dad's a dance
I drive a truck, and it's totally rad someone kill her
dead
She drank my beer.
Oh god dude today has been the worst day ever
Woke up, tad bit hungry, balls kinda itching
I woke up to realize that...
She drank my beer
And I hope she gets herpies
Ewww nasty
She killed a deer
Green peace and peta are fags

So drink my muther fuckin urine sample
She killed a deer!

You drank my beer that's not cool
Do it again, you'll fucking die

She drank my beer, she killed a deer, she's such a
queer, emo sucks ass
You're a fag, I need a napkin, canada sucks, it should
be called canamerica

Fuckin' shit, (you big fat fuckin bastard)
Life, life is so hard.
Sometimes, life. it gets so hard.
Sprite, diet rite, macaroni and cheese, chef boyrdy
Life, is all we have, so life, be good to me.
Be good, to me.
