In a cage with poisoned bars  
Filled with snakes and fire  
You shiver, sweat, and cry  
I fear the hunger in your eyes  
In a land with poisoned fruit  
Filled with viruses and bile  
Your sobs drowned out by hurricanes  
Step aboard and feed the flames

Sign and seal, hand deliver  
You have only yourself to blame  
I will never reconsider  
Things will never be the same

Shoot to kill  
That's a promise - That's an oath  
All or nothing - Choosing both  
It's a habit - It's a sin  
Born to Lose - Live to Win

On the throne of consequence  
Built on debts and tragedy  
The hand that bites you back  
Is ready for attack  
Under rubble happiness  
Buried in a hole of mud  
Feel your coffin shrink and narrow  
Chew the bones and suck the marrow

Sign and seal, hand deliver  
You have only yourself to blame  
I will never reconsider  
Things will never be the same

Shoot to kill  
That's a promise - That's an oath  
All or nothing - Choosing both  
It's a habit - It's a sin  
Born to Lose - Live to Win

Behind the glass you're cut and scarred  
Suffer with the wicked

After all the sweat and piss  
Only beggars die like this  
Rape and murder, kiss away  
Jester crying, children dead  
Psyche quartered, cut and dried  
Only craving cyanide

Sign and seal, hand deliver  
You have only yourself to blame  
I will never reconsider  
Things will never be the same

Shoot to kill  
That's a promise - That's an oath  
All or nothing - Choosing both  
It's a habit - It's a sin  
Born to Lose - Live to Win

Kill!
