This is a good sound (x4)  
I miss so much this real fonky time (x4)  
Do you really wanna party (x4)  
So get on the dancefloor all night (x4)  
So get on the dancefloor all night long (x4)  
Do you really wanna party (x4)  
This is a good sound make me scream tonight (x4)  
Baby (x28)  
So get on the dancefloor scream tonight  
So get on the dancefloor real fonky time  
So get on the dancefloor scream tonight  
So get on the dancefloor (x2)  
So get on the dancefloor real fonky time  
So get on the dancefloor scream tonight  
So get on the dancefloor
