

## Day 26

### "Angel"

Visit "[Angel](#)" on [MotoLyrics.com](http://MotoLyrics.com)

#### Verse 1:

Off...Off...Off...Off...Off in the club with a model poppin  
bottles  
Haters don't like it getting mad cause' I'm rockin full  
throttle  
That's my motto, every chick in the club wanna get me  
home...tonight  
But as I look into the crowd all I see is you(is you)  
Perfect smile, Perfect figure you're my dream come  
true

#### Chorus:

Girl I'm so gone I can't help but keep thinking about you  
No matter what it takes I can't leave this club without  
you(Angel you're an Angel, Angel I found an Angel)  
You're just the type of girl I've been searching for my  
whole life  
I ain't gotta look no more  
(cause I've found an Angel, an Angel, an Angel, I've  
found an Angel in you)  
In you...In you...In you...In you whoahhhhhh

#### Verse 2:

I'ma be your soldier fighting for your love tonight  
I'm ready to go to war  
The thing about this feels right  
Girl tonight is our night  
Just you and me out on this dance floor  
It don't matter what it takes all I want is you...you  
I think it's time girl you fly, can I fly with you

#### Chorus:

Girl I'm so gone I can't help but keep thinking about you  
No matter what it takes I can't leave this club without  
you(Angel you're an Angel, Angel I found an Angel)  
You're just the type of girl I've been searching for my  
whole life  
I ain't gotta look no more

(cause I've found an Angel, an Angel, an Angel, I've  
found an Angel in you)  
In you...In you...In you...In you

Verse 3:

Ain't nobody else in this club  
You deserve to leave with me  
Cause them other chicks don't matter  
Cause girl you're all I see  
Tell me what you want and I'll be what you need  
The heavens sent you made just for me

Chorus:

Girl I'm so gone I can't help but keep thinking about you  
No matter what it takes I can't leave this club without  
you(Angel you're an Angel, Angel I found an Angel)  
You're just the type of girl I've been searching for my  
whole life  
I ain't gotta look no more  
(cause I've found an Angel, an Angel, an Angel, I've  
found an Angel...in you)
