Here we are (off up in this room)
The chemistry (between me and you)
Now's the time (I'll show you my new moves)
Whatever you want I'm gonna do
Your hair, your waist, your thighs I wanna showcase it
all
Gon? treat you like my coach and show you that I can
ball
Damn, watch me do it
Damn, lets get to it

This is a baby maker
(After we leave the club I'll make you my) Baby later
(Have you going up and down like we on) Elevator
(You ain't gonna go back after) What I gave ya
This is a baby maker
(After we leave the club I will make you my) Baby later
(Going up and down like we on) Elevator
(You ain't gonna go back after) What I gave ya
This baby maker

Wait a minute, wait a minute, wait a minute
Girl turn the music down now
Cause I wanna here the sound of, of your moaning and
groaning
Go talk that dirty, just like I like babe
Your hair, your waist, your thighs I wanna showcase it
all
Gon? treat you like my coach and show you that I can
ball
Damn, watch me do it
Damn, lets get to it

This is a baby maker
Baby later

(We going up and down like we on) Elevator
(You ain't coming down after) What I gave ya
This is a baby maker
(After we leave the club I'll make you my) Baby later
(Going up and down like we on) Elevator
(You won't go back to what you had after) What I gave

ya
This baby maker

Drop your clothes down to the floor (drop it to the floor)
Turn your body over to the floor (to the floor)
Lay back, relax and enjoy the show
I got that, I got that, I got that, I got that, I got that
Drop your clothes down to the floor
Turn your body over to the floor
Lay back, relax and enjoy the show
I got that, I got that, I got that, I got that, I got that

This is a baby maker
Baby later (Baby leave the club with me)
Elevator (You ain't gonna go, wanna go back)
What I gave ya
This is a baby maker (Baby maker)
Baby later
(We going up and down like) Elevator
What I gave ya
This baby maker
