This is breaking news
That girl is bad news
Shes a criminal, be on the lookout
She wears Chanel, cause she likes the way it smell
Love potion number 9, thats how she getcha
hopin, hopin, wishing, wanting, praying
for just one chance to taste them pretty little lips and
then
slip into a trap and you never ever gonna get out

girl, something like a black widow
caught up in the web now im stuck in the middle
How come the beautiful ones, always seem to hurt you
the most
Watcha doin babe
such a beautiful face but underneath it
Beautys a bitch, beautys a bitch

Shes my main squeeze

shes the girl ive always dreamed of
I was under her spell, i was going through hell, yeaah
one sip of my love potion, got my nose all open
hopin, hopin, wishing, wanting, praying
for just one chance to taste them pretty little lips and
then
slip into a trap and you never ever gonna get out

girl, something like a black widow
caught up in the web now im stuck in the middle
How come the beautiful ones, always seem to hurt you
the most
Watcha doin babe
such a beautiful face but underneath it
Beautys a bitch, beautys a bitch
