Verse

I'm Not Ready,
That's What I Keep Tellin Myself,
This aint for me,
See I'm single and I'm doing it well,
I Live a Life That's Free,
I Can't Ignore These Feelings, I Have For You,
Nothing I'm used To, And when I'm around You,
I'm Felling All Crazy Inside,
Supposed To Be A Player,
Supposed To Be The One To Charm,
But Something Feels So Diffrent,
And It's because Of You,
Now I Know,
How It Is To Feel This Way.

Chorus

This Can't be Me,
Not Falling In Love,
Never Happend With No other Girl,
This Can't be Me,
Not Switching My Game For That Relationship Thing,
This Can't Be Me,
Not Chaging It Up From The Way I Used To Do It Before,
This Can't be Me,
This Can't be Me,
No This Can't Be Me.

Verse

Girl I Got A Secret,
You Were Never Supposed To Know,
Questioning myself,
Maybe I Should Leave You Alone,
Cause This To Much For Me,
Is This How Love Supposed To Be,
{Can't Figure Out},
What Are We Gonna Do now,
Distorted in My Head,
Can't tell What's Going On With Me,
Throwing Money In The Club, Oww,
Be Out Like 3 times a Week,
But Then It Wouldn't matter Till You Came Around,

Now I Know,
How It Is To Feel This Way.

This Can't be Me,
Not Falling In Love,
Never Happend With No other Girl,
This Can't be Me,
Not Switching My Game For That Relationship Thing,
This Can't Be Me,
Not Chaging It Up From The Way I Used To Do It Before,
This Can't be Me,
This Can't be Me, No This Can't Be Me.

Bridge
It Feels Like I'm Looking At,
A Reflection Of myself,
Not The Man I Used To Be,
If It's me I juss Can't Tell,
What's This Person I See,
Acting So Diffrently,
Your The Only One I Wanna See,
This Can't Be Me,

Chorus
This Can't be Me,
Not Falling In Love,
Never Happend With No other Girl,
This Can't be Me,
Not Switching My Game For That Relationship Thing,
This Can't Be Me,
Not Chaging It Up From The Way I Used To Do It Before,
This Can't be Me,
This Can't be Me, No This Can't Be Me.

Baby I'm not Myself No More,
Lately I Just don't Care No More,
Lately I Feel So Diffrently,
Lately I Feel This Can't Be Me,

This Can't be Me,
Not Falling In Love,
Never Happend With No other Girl,
This Can't be Me,
Not Switching My Game For That Relationship Thing,
This Can't Be Me,
Not Chaging It Up From The Way I Used To Do It Before,
This Can't be Me,
This Can't be Me, No This Can't Be Me
