Yeah, Yeah
You got me going through my blackberry
Deleting every number or message from any girl that
isn't you
You got me calling my momma, telling her about ya
Telling her that I think I might have it hard for you

Lately my boys tell me that they confused
They say What's got into you?
Or who? This new me
They just ain't used to
But everything is changed now
Not acting the same
That's what your doing, d-doing, doing, d-doing to me

Got me feeling light-headed, unsteady
Feeling woozy, breathings heavy
Off from what you do to me
Can't concentrate, feel kinda weak
This has gotten outta control
Can't fight it no more

I'm feeling dizzy, dizzy, d-dizzy, dizzy
You better catch me
Cuz I'm falling in love with you
You got me dizzy, dizzy, d-dizzy, dizzy
I hope you catch me
Cuz I've falling in love with you
Baby I'm trippin, trippin, I'm slippin, slippin
You got my world spinning, spinnin'
Girl I'm falling for you
I'm feeling dizzy, dizzy, d-dizzy, dizzy
You better catch me
Cuz I've falling in love with you

You, You, You
Got me ignoring calls from other broads
Trying' to give me their heart
Cuz nowadays all I want is you
When I see your real pretty face or beautiful shape
I look the other way cuz they ain't messing with you

And everybody tell me that they confused
They say What's got into you?
Or who? This new me
They just ain't used to
But everything is changed now
Not acting the same
What your doing, d-doing, doing, d-doing to me

Got me feeling light-headed, unsteady
Feeling woozy, breathings heavy
Off from what you do to me
Can't concentrate, feel kinda weak
This has gotten outta control

Can't fight it no more

I'm feeling dizzy, dizzy, d-dizzy, dizzy
You better catch me
Cuz I'm falling in love with you
You got me dizzy, dizzy, d-dizzy, dizzy
I hope you catch me
Cuz I've falling in love with you
Baby I'm trippin, trippin, I'm slippin, slippin
You got my world spinnin', spinnin'
Girl I'm falling for you
I'm feeling dizzy, dizzy, d-dizzy, dizzy
You better catch me
Cuz I've falling in love with you

No, if there's a cure for it
I don't want it, no, I don't need i,t no
And oh baby I'm sure of it
I won't play with it, girl i'm in love with it
You got my heart on lock, from the way you kiss
Girl don't you ever stop, keep on frontin' me
Make no mistakes, I hope you know
This has gotten outta control
Can't fight it no

I'm feeling dizzy, dizzy, d-dizzy, dizzy
You better catch me
Cuz I'm falling in love with you
You got me dizzy, dizzy, d-dizzy, dizzy
I hope you catch me
Cuz I've falling in love with you
Baby I'm trippin, trippin, I'm slippin, slippin
You got my world spinnin', spinnin'
Girl I'm falling for you
I'm feeling dizzy, dizzy, d-dizzy, dizzy
You better catch me
Cuz I've falling in love with you

Feeling dizzy, dizzy, d-dizzy, dizzy
You better catch me
Cuz I'm falling in love with you
You got me dizzy, dizzy, d-dizzy, dizzy
I hope you catch me
Cuz I've falling in love with you
Baby I'm trippin, trippin, I'm slippin, slippin
You got my world spinnin', spinnin'
Girl I'm falling for you
I'm feeling dizzy, dizzy, d-dizzy, dizzy
You better catch me
Cuz I've falling in love with you
