(Ooh na na, ohh na na)

You're my favorite girl, I know.
We don't have a title.
Oh, you'll see if your future includes me.
See I know it's hard to understand (I know babe)
The situation that I'm in.
Say I'm gone, not coming back again.
I don't mean it, that's why I'm saying.
Know your plan for me to be a man (I know babe)
Girl let's take it one day at a time.
You'll see if your future includes me.
Baby you gotta know.

You're my favorite girl, I know.
We don't have a title.
Everynight I am thinking about the times we spent.
Why does it have to end so soon babe?
(Bottom line) Bottom line is I believe.
(Down the road) Down the road that we could be.
We'll see if your future includes me.
Baby you gotta know.

Girl I know you're feeling insecure (I know babe)
And wish that I was all your's.
You asked me was I ready for commitment, I tried to
ignore it.
It'll only be a little more time (I know babe)
Before we see, if your future includes me.
Baby you gotta know.

You're my favorite girl, I know.
We don't have a title.
Everynight I am thinking about the times we spent.
Why does it have to end so soon babe?
(Bottom line) Bottom line is I believe.
(Down the road) Down the road that we could be.
We'll see if your future includes me.
Baby you gotta know.

Girl I know you're hearing from your friends (I know

babe)

That don't know my intentions.

Then again, we've never been in a situation.

Like the one we have here in hand (I know babe)

How about we just see if your future includes me.

(x3)

You're my favorite girl, I know.

We don't have a title.

Everynight I am thinking about the times we spent.

Why does it have to end so soon babe?

(Bottom line) Bottom line is I believe.

(Down the road) Down the road that we could be.

We'll see if your future includes me.

Baby you gotta know.
