(Willie)

your my favorite girl
i know
we don't have a title
oh will see
if your future includes me

see i know its hard to understand (i know babe)
the situation that I'm in
said I'm gone not coming back again
i don't mean it that's why I'm saying
i know you plan for me to be a man (i know babe)
girl lets take it one day at a time
you'll see (will see)
if your future includes me (will see)
baby you gotta know

(chorus)

your my favorite girl i know
we don't have a title
every night i am thinking about
the times we spent
and why does it have to end so soon babe
bottom line is i believe
down the road that we could be
will see
if your future includes me
baby you gotta know

(Robert)

girl i know your feeling insecure (i know babe)
you wish that i was all yours
ask me was i ready for
commitment i tried to ignore
it only be
a little more time
before we see (will see)
if your future includes me (will see)
baby you gotta know

(chorus)

(Qwanell)

girl i know your hearing
from your friends (i know babe)
they don't know my intentions
then again we never been
in a situation
like the one we have
here at hand (i know babe)
how about we just see (will see)
if your future includes me
baby you gotta know

(chorus)(+2)
