****talking****

damn

i never thought you would do this to me,
i thought you was so innocent,
i thought i was the only one,
and you wait all the way until now to tell me,
man i feel like i'm in some kind of prison,
and i wanna be free

ummm

i can still remember you telling me that i was the only
one and nobody had ever touched you
since the last time i caught you and we were pretty cool
so i moved on and you made me trust you again
no i take that back cuz i never really trusted you
i just did what i had to do cuz i loved you and
remember whispers in my ear
you telling me to have no fear cuz nobody else lives
hear
but it was all a lie(lie)
all the time(time)

ever since you told me i'ma tell you how this ends
don't talk to nobody not even my friends
i can't sleep
and i don't even clean
i ain't had a good meal
this is how you make me feel when your not here
its like you locked me up and threw away the key
and everywhere i turn its like 4 walls are surrounding
me and they're moving in slowly
i'm so lonely
feels like i'm in some kind of prison
and i wanna be free (free)
so come back to me(me)

now i know this might sound hard to believe
cuz i'm famous all up on MTV
but you don't even know the half
no i don't barely laugh
all the girls around me but i don't even know the last
time i got some ass (damn)

it ain't cuz i can't get it(no)
its just cuz i don't want it(no)
everytime i think about sex all i think about is you
moaning and some man fucking my name
tatted in between your legs
image burned in my head
and its killing me baby
its driving me crazy

ever since you told me i'ma tell you how this ends
don't talk to nobody not even my friends
i can't sleep
and i don't even clean
i ain't had a good meal
this is how you make me feel when your not here
its like you locked me up and threw away the key
and everywhere i turn its like 4 walls are surrounding
me and they're moving in slowly
i'm so lonely
feels like i'm in some kind of prison

and i wanna be free (free)
so come back to me(me)

you got me drinking(aaahhhhhh),
you got me smoking(aaaahhhh),
you got me choking(aaaahhh),
do you hear me crying (ah)
baby do you hear me dying(ah)
you got me drinking(drinking,drinking, drinking),
you got me smoking (smoking , smoking, smoking)
you got me choking(choking, choking, choking)
do you see me crying
baby do you see me dying
and i wanna be free
so come back to me

ever since you told me i'ma tell you how this ends
don't talk to nobody not even my friends
i can't sleep
and i don't even clean
i ain't had a good meal
this is how you make me feel when your not here
its like you locked me up and threw away the key
and everywhere i turn its like 4 walls are surrounding
me and they're moving in slowly
i'm so lonely
feels like i'm in some kind of prison
and i wanna be free (free)
so come back to me(me)

drinking, drinking, drinking,
ummmm smoking, smoking, smoking,
ooooohhwoo woo woo oh
choking, choking, choking,
do you hear me crying
baby do you hear me dying
i'm locked up you won't let me out
got me locked up you won't let me out

ever since you told me i'ma tell you how this ends
don't talk to nobody not even my friends
i can't sleep
and i don't even clean
i ain't had a good meal
this is how you make me feel when your not here
its like you locked me up and threw away the key
and everywhere i turn its like 4 walls are surrounding
me and they're moving in slowly
i'm so lonely
feels like i'm in some kind of prison
and i wanna be free (free)
so come back to me(me)
