Noooooooo [3x]

Verse 1 [Will]:

I gotta slow down, and find the one that's right for me

I'll be on the look out

Please tell me where could she be

Bridge [Will]:

I'm sick and tired of struggling and still can't find the one (one)

When I find that perfect shawty, I swear that I'm done

Is she on my left (oh), is she on my right (oh), is she in the middle, is she here tonight
