[Verse 1:]

It started out as only one  
Just a little feel  
I thought I got away with it  
My conscience wouldn't let me be  
And itsz bringing out the other scheme  
Girl look me in my eye cause I'm tired of drowning in  
these lies  
Listen to me

[Chorus:]

I lied to you (I did)  
But I'm so ready to tell the truth  
Be so honest, be so honest, be so honest  
Cross my heart hope to die swear to God it's true girl  
I gotta be so honest (be so honest) I'm ready to be so  
honest

[Verse 2:]

Now girl I kno I risk a chance  
Of you walking away from me and never talking to me  
again  
But you need to know who I am  
Cause looking at your pretty face looking so dam niiive  
and I kno it's all because of me  
Why did I lie

[Chorus:]

I lied to you (I did)  
But I'm so ready to tell the truth  
Be so honest, be so honest, be so honest  
Cross my heart hope to die swear to God it's true girl  
I gotta be so honest (be so honest) I'm ready to be so  
honest

I swear to tell the whole truth and nothing but the truth  
So help me God  
I'm turning myself in this is my first offense  
Have mercy on me  
I'm sorry I lied

[Chorus:]

I lied to you (I did)  
But I'm so ready to tell the truth  
Be so honest, be so honest, be so honest  
Cross my heart hope to die swear to God it's true girl  
I gotta be so honest (be so honest) I'm ready to be so  
honest
