[Brian:]

You knew exactly what was going on when we first
kicked it off
I told you that I had a girlfriend but you still went along
Wearin sexy clothes trying to seduce me
And girl I must admit I wasn't too weak
Even though we started getting crazy we're all hot and
sweaty
Baby we both know it's goin down

[Robert:]

I'm pullin on your hair
I'm workin on your back
Makin you moan
Switch positions you on top
Screamin baby don't you stop
Losin control
Said you never had somebody put it on you like this,
like this
And now you caught feelings babe
And you want me to leave my lady
But I won't... I won't... I won't...

[Que:]

Sometimes I think it's time for us to go our separate
ways

But then I remembered all the times we've spent makin
love baby

[Mike:]

As I said to myself, I can't be without you
Start thinking about my girl, how I can't breathe without
her
Everytime I try to let you know that I can't take it no
more
And you know it's what's going down

[Willie:]

I start pullin on your hair
Workin on your back
Makin you moan

Now switch positions you on top
Screamin baby don't you stop
Losin control
Cause you never let someone put it on you like this, like
this
And now you caught feelings babe
And you ask me to leave my lady
And my answer to you is I won't... I won't...
