Just say the word I'ma put it on ya
You can say you touched the president, Cerock Obama
I'm a bad boy and that's what bad boys do
Black ice, black coop, black cars too
Don't tattoo my name, tattoo my logo
Let the whole world know you're fuckin with a mogeul
You don't need a closet
Take you to Taiwain
You can have the whole warehouse, ladies Sean John

And on the 14th I'll buy the whole island
Name it after Champagne and call it Chris Stylin'
(Cerock)
Yeah... I knew that'd have you smilin
Like Day26 I'll have your ring finger shinin

[Brian]
