In my bed,  
don't be shy,  
don't be scared  
Let's get right,  
take that chance,  
baby its alright  
Don't gotta rush,  
we got all night  
We rockin (in my bed)  
We rockin (in my bed)  
We rockin (in my bed)  
We rockin

When I come around know the best at rockin  
Big things poppin til the cops come knockin  
Don't give a damn if the cops come knockin  
They keep on knockin, we still ain't stoppin  
That's a rock enjoy drop toppin  
Playin in the sheets with the slow jam rockin  
The tv's on but we ain't watchin  
I'm focused man

different positions,  
bed to the kitchen,  
friends aint see me  
I been missing,  
where I been,  
on a mission  
Touchin,  
squeezin,  
huggin,  
kissin  
Girl when I'm alone with you  
This is what you make me do  
You know its going down  
Every time that you come into my bed

In my bed,  
don't be shy,  
don't be scared  
Let's get right,  
take that chance,

baby its alright  
Don't gotta rush,  
we got all night  
We rockin (in my bed)  
We rockin (in my bed)  
We rockin (in my bed)  
We rockin

Ain't comin up for air, I'm swimmin  
Cookin it up so hot like kitchen  
Doin my thing, got your best friend wishin  
She was in your shoes with me  
Sex in the sheets, right off of it  
Say that you wanna go again

Runnin my fingers through your hair  
I'm focused man

different position,  
bed to the kitchen,  
friends they see me  
I been missing,  
where I been,  
on a mission  
Touchin,  
squeezin,  
huggin,  
kissin  
Girl when I'm alone with you  
This is what you make me do  
You know its going down  
Every time that you come into my bed

In my bed,  
don't be shy,  
don't be scared  
Let's get right,  
take that chance,  
baby its alright  
Don't gotta rush,  
we got all night  
We rockin (in my bed)  
We rockin (in my bed)  
We rockin (in my bed)  
We rockin

And when I'm next to you its crazy  
Don't need to look further, you're part of me  
Don't break away,  
from lovin me  
Baby you're all I know

So don't be scared to go all the way with me

In my bed,  
don't be shy,  
don't be scared  
Let's get right,  
take that chance,  
baby its alright  
Don't gotta rush,  
we got all night  
We rockin (in my bed)  
We rockin (in my bed)  
We rockin (in my bed)  
We rockin  
(2x)

In my bed..
