I see you talking shit up in your girlfriend's zip
set your number f*ck a nigga like me,
got a couple checks up in your system man I know just
how to get
I'm being me, I make you so easy, easy

Pour em in this later on the wall and the back room star
got you wanna know the f*ck you see?
don't worry bout them niggas taking pictures
says I'm payin and then get em, young money like my
neighbors wizzie

Pre Chorus:

So are you f*ckin with your girlfriend in the club
I'll be at the bar make some drinks up in your cup
Are you on the dance floor, getting f*cked up?
I'll be in the back taking shots and f*ck you up?

So watch you to say, 'cause I'ma put it on replay
and don't you play me on the rose,
'cause it ain't about the liquor
girl I have a play and make you twist up.

Chorus:

Before they turn the lights on, one song
it's the last call we at the bar.
put up what you're sleeping on, girl
it's the last call we at the bar.
So shawty tell me what you're thinking?
'cause I know just what you're drinking
and you're coming on with me tonight
but we turn the lights on,
it's the last call we at the bar.

I'm at the party like Rick James yeah
my champagne campaign this yeah
why you shake your body to body
and born ..Bugatti
and rain like some strippers in here

So don't you tell me that you ain't with it

satisfaction guarantee when I'm in it,
girl playing drunk drunk minute for minute,
might black out 'cause you show and forget it.
