Like Ooh Ooh Ooh Ooh Ahh Ahh Ahh Ahh

(chorus)

You Know I Like It When We're Exchanging Love Faces

I Gotcha Body Where I Want It Right Now

Aint Hard to Tell When I'm Touching The Right Places

The Look on Your Face and Your Screaming It Out Loud

You Know I Like it When We're Exchanging Love Faces

Keep All The Lights On So We Can Both See

Just How It Feels When I'm Touching the Right Places

When Your In The Bed With Me

Exchanging Love Faces
