

Day 26

"Must Be Love"

Visit "[Must Be Love](#)" on MotoLyrics.com

This is something I never wanted
But since I met you I've been on it
I think about you all the time
I can't get you off my mind
(I know this can't be love)
I know this can't be love
(Baby it must be love)
Baby it must be love

Thinking of going all the way
I wanna show you but I'm afraid
I know you say it's all on me
Maybe tonight I'll let you see
(I know this can't be love)
I know it must be love
(Baby it must be love)
I know it must be love

Don't wanna give in to you so easily
But I can't even find what you made me so weak
And I can't understand what you're doing to me
But I like it
I like it

I heard you whisper something to me
Hold me close now baby don't leave
Emotion is taking over
Something's controlling me
(I know this can't be love)
I know this can't be love
(Baby it must be love)
Baby it must be love

What am I feeling?
It's getting stronger
And I can't hold it back for much longer
I know we're trying to be cool
It's all because of you
(I know this can't be love)
I know it must be love
(Baby it must be love)
Baby it must be love

Don't wanna give in to you so easily
But I can't even find what you made me so weak
And I can't understand what you're doing to me
But I like it
I like it

Baby
The way that you make me feel got me going crazy
Tell me what you're doing tonight
I'll be there right away
Take a ride with me, shawty
Oh and you know I'm gonna give you my love
Girl I'm so glad that you're mine
You're all mine
You wanna spend some time with me

Don't wanna give in to you so easily
But I can't even find what you made me so weak
And I can't understand what you're doing to me
But I like it
I like it

Don't wanna give in to you so easily
But I can't even find what you made me so weak
And I can't understand what you're doing to me
But I like it
I like it
