Verse 1: Willie

Girl, I pray to God I'm dreamin'
And that's not my bags
Next to my keys and
As if you throw it all away
You don't know where our kids at
The house on the hill and
All the work we put in through the years

Pre-Hook:

Babygirl, what if moms would've left your daddy?
Then I would've never had 'cha
Think of where we would've been then
Or baby, what if my mom would've met your papi?
Got together and make things happen
Then we probably would've been kin

Hook:

You say it's over now
But I beg to differ
And I hear you now
Sayin' you don't want me no more
It's over now
The game is over
I just lost
Tick, tick, tick my clock just ran out
Just like the mornin' after
Please, don't say that you mean like a benediction from
a pastor
Babygirl, I'm askin' you to reconsider
Everything that 'cha feelin'
Gotta be something we can workout
Don't say it's over now

Verse 2: Mike

Baby think about what 'cha doin'
Don't make any instant moves
(Uh-uh)
Girl, what 'cha provin'?
'Cuz you know by now I love you
And if I needed to I'll do what I have to show you
That I need you, baby

Pre-Hook: Mike Ab-libs

Babygirl, what if moms would've left your daddy?
Then I would've never had 'cha
Think of where we would've been then
(Think of where we would've been then)
Or baby, what if my mom would've met your papi?
Got together and make things happen
(Did the nasty, nasty, nasty thang)
Then we probably would've been kin

Hook: Mike Ad-libs

You say it's over now
But I beg to differ

And I hear you now
(I hear you now baby)
Sayin' you don't want me no more
It's over now
(Oh)
The game is over
I just lost
(Oh)
Tick, tick, tick my clock just ran out
(Tick, tick, tick my clock just ran out)
Just like the mornin' after
Please, don't say that you mean like a benediction from
a pastor
(closin' out my love baby)
Babygirl, I'm askin' you to reconsider
Everything that 'cha feelin'
(Please, reconsider, baby)
Gotta be something we can workout
(Oh oh oh)
Don't say it's over now

Verse 3: Robert

Call the war off
Bring the troops home
Please, don't say it's over now
My heart can't take the loss
I've been sayin' this for so long
You can take everything I own
Please, don't take your love from me
It's the most important thing

Hook: Robert Ad-libs

You say it's over now
(It's over now)
But I beg to differ
And I hear you now

(Said I hear you now)
Sayin' you don't want me no more
It's over now
(It's over now)
The game is over
I just lost
Tick, tick, tick my clock just ran out
(Clock just ran out)
Just like the mornin' after
(Mornin' after)
Please, don't say that you mean like a benediction from
a pastor
(Addiction from a pastor, yeah-o)
Babygirl, I'm askin' you to reconsider
Everything that 'cha feelin'
Gotta be something we can workout
(No, no)
Don't say it's over now
