same old thing again
just callin it quits now
I'm tryin'a pretend
that I'll make it somehow
Even though it hurts
My pride won't let it show I'm
tryna move on but it's
got to the point where its invading my mind girl
Can't get it out, I can't get it out
I didn't wana loose you
and now that its over
can't seem to get over it
And the radio ain't making it better

On the radio, I can't help but turn it down when it comes
on
spending everyday, yea all day
this ya favorite song girl
remindin me I'm wrong oh
its playin over and over and over again
On the radio
I can't help but turn it down when it comes on
spending everyday
yeah all day
this ya favorite song girl
reminding me im wrong oh
It keeps playin over and over and over again
I know I was wrong but she wont forgive me
Even if she do she
she wont forget it
Gotta live with this for the rest of our lifes
No matter how much I try to make it right
(It wont)
Its got to the point where its invading my mind girl
Cant get it out, I cant get it out
I didnt wana lose you
and now that its over
cant seem to get over it
And the radio aint making it better
On the radio
I cant help but turn it down when it comes on
spendin everyday yeah all day

this ya favorite song girl
girl reminding me Im wrong oh
It keeps playin over and over and over again
On the radio
I cant help but turn it down when it comes on
spendin everyday yeah all day
This ya favorite song girl
remindin me Im wrong oh
It keeps playin over and over and over again
If ya feel me put ya hands up
gota feel me put your hands up
I know somebody out there feels me so wont ya put ya
hands up
If ya feel me wont ya go and put ya hands up now
Its to the point where its invading my mind girl
cant get it out, I cant get it out
I didnt wana lose you
And now that its over
cant seem to get over it
and the radio aint making it better
On the radio
I cant help but turn it down when it comes on
spending everyday, yeah all day
this ya favorite song girl
remindin me im wrong girl
It keeps playing over and over and over again
On the radio
I cant help but turn it down when it comes on
spending everyday yeah all day
this ya favorite song girl
remindin me im wrong girl
It keeps playin over and over and over again
