Will:

I know this might sound crazy
But I don't know what I did
To make you wanna leave
You think we've been here before
I say I'm sorry, you come back, I do it again
And then you pack, but girl it's different now

See every time we had it out you would go the door
I chased behind you and I tossed your bag down to the floor
You said that you needed time
But could you get back to me and let me know how long you need
Cuz I can't take it no more

Day 26:

Since you've been gone I just can't seem to get right
And I miss you more than you'll ever know
Girl I just want a chance to talk to you
And let you know that I've changed
Since you've been gone I stay awake all night
This bed just ain't the same without you here
Feels like I've lost it all, since you've been gone
Since you've been gone from me

Brian:

You can't expect for me to let it go that easily
One day we're making plans, the next day girl you're leaving me
Okay so I'm a jerk, I know I made you hurt
I know your girlfriend was right, I got what I deserved

I know the last time you said it was the last time
But baby all I need is one more last time
I'll make the best of it, I'll stop all my bullsh*t
And I'll become the man you always said you wanted

Day 26:

Since you've been gone I just can't seem to get right
And I'll miss you more than you'll ever know baby

Girl I just want a chance to talk to you
And let you know that I've changed
Since you've been gone I stay awake all night
This bed just ain't the same without you here
Feels like I've lost it all, since you've been gone
Since you've been gone from me

Day 26:
Ooo ooo ooo ooo 2x

Robert:
Girl all that really means is I just miss you
And you got me sayin

Day 26:
