When I put it down I put it down for really
When you come around you know you're bout to feel it
Don't you try to play around
Cause you know I'm about lay you down
I know your close cause
You ain't no jump off
But your skin so soft
They have to come off
I, promise I wont pressure you
Just make up your mind whatcha wanna do
Let me help you

Baby close the door
I'll show you what's in store for you
Everything and more
So please just close the door
Cause I want you to myself
Don't need nobody else
Cause, bein' alone with you feels
So good, so good (so good)
That's why I can't live without it (so good)
There ain't no questions about it (so good)
That's what it is (so good)
That's what it is (so good)
So good, so good

When I put it down I put it down for really
You won't even know if you're on the ground or ceiling
Feel it, in your body
Like your favorite rhythm when you're at the party
Hey, I'll be your D.J.
Just tell me what to play
No, I won't even play
Just keep it on replay
Girl, I ain't tryna pressure you
Just make up your mind whatcha wanna do
Let me help you

Baby close the door
I'll show you what's in store for you
Everything and more
So please just close the door

Cause I want you to myself
Don't need nobody else
Cause bein' alone with you feels
So good, so good (so good)
That's why I can't live without it (so good)
There ain't no question about it (so good)
That's what it is (so good)
That's what it is (so good)
So good, so good

Baby close the door
I'll show you what's in store for you

Everything and more
So please just close the door
Cause I want you to myself
Don't need nobody else
Cause bein' alone with you feels
So good, so good (so good)
That's why I can't live without it (so good)
There ain't no questions about it (so good)
That's what it is (so good)
That's what it is (so good)
So good, so good

Girl there's something that you need to know

You need to know
I think you need to know girl (the way you move)
You need to know
I think you need to know girl (the way you walk)
The way you talk
The way you move
The things you do
Baby close the door

Baby close the door
I'll show you what's in store for you
Everything and more
So please just close the door
Cause I want you to myself
Don't need nobody else
Cause bein' alone with you feels
So good, so good (so good)
That's why I can't live without it (so good)
There ain't no questions about it (so good)
That's what it is (so good)
That's what it is (so good)
So good, so good

Baby close the door

I'll show you what's in store for you
Everything and more
So please just close the door
Cause I want you to myself
Don't need nobody else
Cause bein' alone with you feels
So good, so good (so good)
That's why I can't live without it (so good)
There ain't no questions about it (so good)
That's what it is (so good)
That's what it is (so good)
So good, so good
