Verse 1:[Willie]
Stage set, lights on
Now play that intro, let me check my microphone
It's bangin', so strong
You wave your hands in the air as you sing along

[Hook]

That's how my love will make you feel, feel Put your body front in center; for real, for real So let it stay right there, don't go no where Ain't no other show, can't even compare no no

Chorus:

My love is Like stadium music,
Put your whole body through it
We got it all, flashing lights, big screens, fireworks,
video screens
Ain't nobody on this stage but me
My love is like stadium music
Put your whole body through it
We got it all, flashing lights, big screens, fireworks,
video screens
Ain't nobody on this stage but me
My love is like

Verse 2: [Robert]
Round 2

I save the best part for your favorite song
And when we get there imma do it all night long

[Mike]

Put your whole body through it [put your whole body through it]
We got it all, flashing lights, big screens, fireworks, video screens
Ain't nobody on this stage but me

My love is like stadium music [oh oh yeah]
Put your whole body through it [oh oh, oh oh]
We got it all, flashing lights, big screens, fireworks,
video screens
Ain't nobody on this stage but me

My love is like...
