Would you mind if I stroked your body slowly, babe
And you wont mind once I get between your thighs,
babe
I know you want it, I want it, too
IÂ'm going deeper inside of you
Grab my back and squeeze it tight
Cause this gone be a long night

Welcome to the game
I hope you came ready to play
Get your duffle bag and towel
Change your clothes and get away
Put your game face on
Cause you going in right now
There want be no timeout
So you gotta hold us down

I want to see you sweat
Soaking up the sheets
And drip all over me
And you what makes me weak
Girl, I want to see you sweat
Perfections of the moonlight
You up in it looking so right
Cause you are my, babe
I want to see you sweat
Cause I got to do it, got to do it, got to do it, now wait
LetÂ's slow it down
Girl I want to feel your sweat
Come drip all over me
Come lay your body down
And lets, s-w-e-a-t

Can you feel it running all over you girl
And damn this feeling like I am swimming in your love
Cause if these four walls could talk
They would say, you and me were meant to be
doing this right here, right now
Girl put down the towel
You could last another round, and wipe the sweat
Just feel me now

Welcome to the game
I hope came ready to play
Get your duffle bag and towel
Change your clothes and get away
Put your game face on
Cause you going in right now
There want be no timeout
So you gotta hold us down

I want to see you sweat
Soaking up the sheets
And drip all over me
And you what makes me weak
Girl I want to see you sweat
Perfections of the moonlight
You up in it looking so right
Cause you are my babe
I want to see you sweat
Cause I got to do it, got to do it, got to do it, now wait
Let's slow it down
Girl I want to feel your sweat
Come drip all over me
Come lay your body down
And lets, s-w-e-a-t

I didn't hear about this slight chance of rain
But I might hear anything when sweat just rolls off your
face
So wet that we can't hold on
We'll be dressed if we had clothes
Sorry for messing up your hair
Call the beauty shop tomorrow and I'll take you there
Now, it time to wear you out
Making love will bring it down
Go ahead and climax
While I see you sweat

I want to see you sweat
Soaking up the sheets
And drip all over me
And you what makes me weak
Girl I want to see you sweat
Perfections of the moonlight
You up in it looking so right
Cause you are my babe
I want to see you sweat
Cause I got to do it, got to do it, got to do it, now wait
Let's slow it down
Girl I want to feel your sweat
Come drip all over me
Come lay your body down

And lets, s-w-e-a-t
