(Biran)  
Forget about the...  
picture I painted in your head  
of a beautiful you and me  
(No more)  
You mind as well  
forget about the...  
way you use me, abuse me  
thought we really were a family  
(Ooh whyyy wow)

(Brian)  
You knew I was weak for love  
So you wrote me love letters  
sweeter than a peach  
you relax me like the beach  
(Shawty...)  
thoughts got so deep  
(Shawty...)  
I've been gettin cold feet

Even the truth is a lie!  
(the truth is love could  
be so ruthless  
you is so right  
you know your so right)  
but you won't be the baddest  
i've ever had

(Day26)  
Even the truth is a lie!  
we could never stay together  
we tried so many times  
The Truth  
(the the, The truth) (3x)  
Maybe I was wrong  
It's all in my mind  
It feels like I'm dreamin  
of having a date with you  
Even the truth is a lie!  
(the the, The truth) (3x)

(Willie)

I guess I just forget about the  
arguin, fussin, fightin  
cops beatin down my front door  
girl it ain't even worth is over you  
her body hit mind control  
over my mistaken lust  
for love, i've finally  
had enough of your bull  
whatcha tryin pull mommy  
don't try me, you won't find me

(Brian)

You knew I was weak for love

(Robert)

No never say never  
nooo, promise I'm never  
getting back at you  
after all the shit you put me through  
I can learn, let it burn  
I was through with my love

but it never was enough  
(Oh Oh Oh Oh Oh Oh)  
And i'll soon find another  
my new number one cutter  
She'll look fly in every color  
No I did not st-st-Studder  
Even The Truth Is a Lie!

(Rob & Que)  
The Truth Is a Lie!  
The Truth Is a Lie!  
The Truth Is a Lie!

(Que)  
Everything you show me  
and everyrthing you told me  
was a lie why did you do me this way  
I said it hurts so bad  
I cry at night  
Said I cried at night  
baby your truth was a lie  
your truth was a lie
