I can't stand their attitudes, for another day  
They wanna try to synchronize me, so I blew them away  
My daddy was a bitch, screwin' around with the dog  
and cat  
My mommy satisfied her thirst, with a bag of urin

I kinda liked my sisters friends,  
kick grass in the grave,  
mudered that bitch with a baseball bat,  
she was only five, what ya think of that?  
knocked her down the basement stairs,  
then I burned off all her hair,  
mutilated her virgin body,  
Mommy caught me and she tried to stop me

I killed mommy with my automatic, I killed mommy with  
my automatic,  
I killed mommy with my automatic, whoooaa

I killed mommy with my automatic, I killed mommy with  
my automatic,  
I killed mommy with my automatic, whoooaa

I can't stand their attitudes, for another day  
They wanna try to synchronize me, so I blew them away  
My daddy was a bitch, screwin' around with the dog  
and cat  
My mommy satisfied her thirst, with a bag of urin

I killed mommy with my automatic, I killed mommy with  
my automatic,  
I killed mommy with my automatic, Ooohoooh

I killed mommy with my automatic, I killed mommy with  
my automatic,  
I killed mommy with my automatic, Ooohoooh
