I couldn't stand their attitudes
For another day!
They were trying to synchronise me
So I blew them away!
My daddy was a bitch!
Screwed around with my dog and cat!
Momma satisfied her thirst
With a bag of urine!
I kinda like my sister's friends, Oh-whoa,
Keep 'em fresh in the fridge.
Murdered the bitch with a baseball bat
She was only five, whatcha think of that?
Knocked her down the basement stairs,
Then I burned off all her hair.
Mutilated her virgin body,
Momma caught me, she tried to stop me,
I killed mommy with my automatic,
I killed mommy with my automatic,
I killed mommy with my automatic,
Whoa-oh-oh!
