Verse 1:

Cardinal reports denies
Discussing nations in disguise
Well I don't know...
Well I don't know what that means
Cuz when you grow
Up all the news
Just Isn't what it seems
So we listen
To a different side of life...
Of something that we like

CHORUS:

All I ever wanted...
Was to be on the radio!
(Woah! Woah! Waaaah!)
We couldn't really ask for more but,
Now that we've grown older,
We're livin' in the nursing home
But we got what we thought we wanted...
To BE on the radio

Verse 2:

Sitting in my room alone...
My cousin calls me on the phone...
One day we'll conquer the world...
But first we have to conquer high school...
High school Girls!

(Chorus)

Bridge

LAST CHORUS:

Was that really what we wanted?
To be on the radio?
I think we want something more
Cuz after we'd grown older,
We're living in reality
And what we really wanted
Was to be...
Financially secure...

Yeah...
