El Burrito La Burrita

Verse 1:

When i feel kinda hungry i know just what i want /
Beans and tortillas, lettuce and burritos /
Mexican food is great stuff /
You can take it to go /
Or sit and enjoy it /
I'd eat all the nachos but i dont wanna spoil it /
Mexican food is so much fun, /
I'd eat it every day but then i would be fat /

Verse 2:

When i feel kinda hungry i know just what ill do /
Go to my local mexican restauraunt and sit at a table
for two /
The friendly employees greet me with an "hola!" /
They may not know their english but they sure know
"coca cola" /

Prechorus:

Life is confusing but one thing is for sure /
Mexican food is great /
I'd eat it every day but then i would be fat, oh /

Chorus:

Taco Bell! Cozumel! /
Hola Senorita, I'll have the bean burrito /
Gracias Senior another mountain dew /
I dont want french or italian i want mexican food /

Taco Bell! Cozumel! /

Hola Senorita i'll have the bean burrito /
Gracias Senior another mountain dew /
Thanks to illegal immigration, we have our mexican
food /
