VERSE 1:

Cell-phone service here is good
So I think I've got a shot
The number's sittin on speed-dial
Just hope my track is runnin hot
(I know I've messed this up before)
But I don't care now
(If I can always try once more)
All I have to do is wait now

CHORUS:

Whoa oh, sitting in the middle of my room
Waitin for that call-all, hopin that the ring will come soon
Cause if you show at all-all
My day has been made
I'll put my head against the wall-all
And until you call I'll wait

VERSE 2:

Ok, so here I go
I've been sitting here, I thought you should know
I'm thinking what should I say this time
If the voice comes through on the other line

CHORUS 2:

Whoa oh, sitting in the middle of my room
Waitin for that call-all, hopin that the ring will come soon
Cause if you show at all-all
My day has been made
I'll put my head against the wall-all
And until you call I'll wait

BRIDGE

CHORUS 3:

Whoa oh, sitting in the middle of my room
Waitin for that call-all, hopin that the ring will come soon

Cause if you show at all-all
My day has been made
I'll put my head against the wall-all
And until you call I'll wait

Until you call my way / X4
