### "Run"

The race is running a pace that's quicker  
The clock's tick ticking against  
The world keeps turningâ€|this house is on fireâ€|  
Won't catch me sleepwalking againâ€|

Runningâ€|said I'm runningâ€|I'm runningâ€|  
I'm coming at you gunningâ€|runningâ€|said I'm  
running againstâ€|  
Runningâ€|said I'm runningâ€|I'm running  
I'm coming at you gunningâ€|runningâ€|said I'm  
running againstâ€|

Awake and running the distance quicker  
This road is nearing the end  
The wheel keeps turningâ€|this heart is on fireâ€|  
I'm burning up high speed when I winâ€|

"About running the race of life, hurdling the obstacles  
that appear in our way." - Josh Brown (Day Of Fire)
