[Verse 1: Qwanell]

They say that true love  
is so hard to find (find)  
Well I'm gonna take my time  
And I, ain't gonna rush into something  
To get left with nothing again  
That's what I said before  
Until I opened up that door  
Let you in, and left my heart wide open  
And now I'm just hopin'

[Chorus:]

Would you live for me  
Now shawty tell me would you  
die for me (die for me)  
Are we in this together (come and tell me)  
Are we in this together (tell me)  
If I was locked out with no money  
Would you hold it down for me  
I just gotta know for sure  
Are we in this together  
Are we in this together  
Tell me

[Verse 2: Robert]

If bein' in love with you was such a crime  
And I needed a place to hide  
And there's no time, and I  
needed to get away driver  
Could you find it inside of your heart  
Cause I do the same for you  
There ain't no tellin' what love can do  
If it's true, you got my heart wide open  
That's why I'm hopin'...

[Chorus:]

Would you live for me  
Now shawty tell me would  
you die for me (die for me)  
Are we in this together  
(come and tell me) (tell me baby)  
(tell me baby)

Are we in this together (tell me)  
If I was locked out with no money (oh)  
Would you hold it down for me (oh)  
I just gotta know for sure (oh whoo whoo whoo)  
Are we in this together (tell me)  
Are we in this together (I wanna know)  
Tell me  
[Bridge: Big Mike]  
(Oh girl I hope you want to stay)  
And I hope you're listenin'  
(Placing that rock on your finger girl)  
Oh that's my mission  
(you'll never catch me in the club)  
Straight slippin' slippin'  
(Unless I'm sippin' on some bub)  
Well you know that's different  
(This kinda love) can't be defined  
Just know that I'm right behind you baby  
(Anybody who says I'm not sounds crazy to me)  
Hey, just say you're with me  
All I wanna know is would you live...

[Chorus: Big Mike & Brian]  
Would you live for me {BM}  
Now shawty tell me would  
you die for me (die for me)  
(tell me would you die for me baby)  
Are we in this together (come and tell me)  
(Would you give me everything baby)  
Are we in this together {B} (tell me)  
If I was locked out with  
no money (locked out with no money)  
Would you hold it down for me  
I just gotta know for  
sure (got to know for sure yeah)  
Are we in this together (ay)  
Are we in this together (tell me)  
Tell me

[Chorus:]  
Would you live for me  
Now shawty tell me would  
you die for me (die for me)  
Are we in this together (come and tell me)  
Are we in this together (tell me)  
If I was locked out with no money  
Would you hold it down for me  
I just gotta know for sure  
Are we in this together  
Are we in this together  
Tell me
