

Day26 "Babymaker"

Visit "[Babymaker](#)" on MotoLyrics.com

Baby, I know you ain't used to this
But I got something special planned for you
Oh, ooh, oh, ooh, oh, ooh, oh
Oh, ooh, oh, ooh, oh, ooh, oh
Oh, ooh, oh, ooh, oh, ooh, oh
Oh, ooh, oh, ooh, oh, ooh, oh

Here we are
(Off up in this room)
The chemistry
(Between me and you)

Now's the time
(I'll show you my new moves)
Whatever you want I'm gonna do

Your hair, your waist, your thighs
I wanna showcase it all
Gon' treat you like my coach
And show you that I can ball

Dam, watch me do it
Dam, let's get to it

This is the babymaker
After we leave the club I'll make you my
(Baby, lata)
Have you going up and down like we on
(Elevator)
You ain't gonna go back after
(Wat I gave ya)

This is the babymaker
After we leave the club I'll make you my
(Baby, lata)
Have you going up and down like we on
(Elevator)
You ain't gonna go back after
(Wat I gave ya, this babymaker)

Wait a minute, wait a minute
Wait a minute, girl, turn the music down now

'Cause I wanna hear the sound now
Of you moaning and groaning
Gon' talk that dirty *** just like I like, baby

Your hair, your waist, your thighs
I wanna showcase it all
Gon' treat you like my coach
And show you that I can ball

Dam, watch me do it
Dam, let's get to it

This is the babymaker
(Baby, lata)
We're going up and down like we on
(Elevator)
You ain't comin' down after
(Wat I gave ya)

This is the babymaker
After we leave the club I'll make you my
(Baby, lata)
Going up and down like we on
(Elevator)
You ain't gonna go back after
(Wat I gave ya on this babymaker)

Drop your clothes on to the floor
Turn your body over to the floor
Lay back, relax and enjoy the show
And get bad and get bad and get bad and get bad

Drop your clothes on to the floor
Turn your body over to the floor, yeah
Lay back, relax and enjoy the show
And get bad and get bad and get bad and get bad

This is the babymaker
Baby, lata, elevator
You ain't gonna go back after
Wat I gave ya

This is the babymaker
Baby, lata, elevator
Wat I gave ya
This babymaker
